LETTER OF APPRECIATION – 10 BOULEVARD MANAGEMENT CORPORATION

We wish to thank you for the assistance and guidance that has been provided by Hunt Property Management Sdn Bhd in plugging in your structured practice, procedures, systems and controls that makes us a better commercial hub.

Prior to the arrival of your service, the 10 Boulevard Management Corporation had achieved success in our occupancy rates and rental rates. But that had not integrated all the disciplines necessary to allow us to preserve the gains and to sustain us into the future years. Your ability to see from various angle including legal and commercial viewpoint had added values to our development.

Hunt Property Management implemented various systems and procedures, in the areas of organizational structure, financial management, and overall operations management that have positioned us well for the future and that continue to be our standards of measurement as we grow. Their professional and effective manpower mobilization of competent and experienced staff as well as quick response actions are deeply felt.

Our expectations for return on our investment has surfaced and we look forward to your continuing service in 10 Boulevard. We would like to state that we would certainly recommend the service of Hunt Property Management Sdn Bhd to any Joint Management Body or Management Corporation that is desirous of improving the quality of service and in positioning for stability in this uncertain market.

Thank you again for being our partner.

Sincerely,

Vivian Tan Nai Huang
Chairlady
